OUR STORY & LEGACY

BUILDING ON A LEGACY

Environmental Flows 2026 proudly builds on the foundation laid by the 2018 and 2024 EF Conferences. This continuity ensures a gathering of seasoned professionals, researchers, and policymakers, all committed to the cause of environmental flows.

CO-HOSTED BY INDUSTRY LEADERS

This conference is co-hosted by the Okanagan Nation Alliance, the Okanagan Basin Water Board, and the Canada Water Resources Association; three esteemed organizations with a rich history of driving water-related initiatives. Their involvement guarantees the presence of a significant portion of the water community, amplifying the reach and impact of your sponsorship.

WHY SPONSOR EF2026

STRATEGIC & TAILORED SPONSORSHIP OPPORTUNITIES

Recognizing the pivotal role of engineering and water firms, and government agencies, our sponsorship tiers are designed for maximum visibility and engagement. Collaborate with us for sessions, workshops, or panels that resonate with the industry's pulse.

TARGETED AUDIENCE ENGAGEMENT

Our conference attracts a niche audience of decision-makers, policymakers, and professionals. Engage directly, showcase your solutions, and position your organization as a thought leader.

WAYS TO ENGAGE

CUSTOMIZABLE SPONSORSHIP MENU

Tailored opportunities await, whether you're an engineering giant, a pioneering water firm, or a government agency shaping policy. From branding to experiential engagements, we ensure your brand stands out.

POLICY & PRACTICE DIALOGUE

For government partners, we offer exclusive sessions for policy dialogues, feedback collection, and understanding industry needs.

EXCLUSIVE NETWORKING OPPORTUNITIES

Connect with industry leaders, potential clients, and collaborators at exclusive networking events, ensuring meaningful interactions and collaborations.
